THE END

THE STATUE OF PIGGERY

DO I SMELL OF RANCID AUBERGINES?

THE QUESTION EVERY TEENAGER ASKS — ANSWERED AT LAST BY OUR REALLY SENSIBLE QUIZ.

1. When you are on a train, do people sitting near you say things like "Stone me, where is that dreadful pong of rancid aubergines coming from?"
- a. Yes, now you come to mention it, they do.
- b. No, now you come to mention it, they don't.
- c. What on earth are you talking about?

2. When a smell of rancid aubergines is noticed in the vicinity, do people sniff nastily and say "Hello, that must be old" (insert your name in the space)?
- a. Yes, the fact has to be faced, they do.
- b. No, strange though it may seem, they don't.
- c. You aren't serious are you?

3. Have you ever found yourself completely alone in a sealed room and noticed a very strong odour of rancid aubergines?
- a. Crikey, how did you know? You must be psychic!
- b. No, I never have — is this significant?
- c. Excuse me, but you are totally bonkers aren't you?

Check your S.O.R.A. rating NOW:

A's: Bad luck — you smell of rancid aubergines. But don't worry — one of two things will happen with the passage of time. Either this phase will pass, and you'll be able to lead

a normal, healthy life; or else it won't.
B's: You don't smell of rancid aubergines. Says you. But watch out — no-one is immune!
C's: Your attitude to the vital

question of aubergine rancidity and attendant vile scents is regrettably flippant. Beware, lest your lack of concern leads to disaster!

from time to time, i will be bringing you the latest up-to-date album reviews....
...and so we start this week with "queen - greatest hits" which i know isn't a new album, but i've seen it in the shop and i am extra £8 for breakage around the house this week...! not that it was all my fault, though..... oh no....

...in fact, i think it is one of them there pat-a-cake discs, but this one doesn't live in my television....it lives in my record player....and at the moment it is keeping the speed switch on 78 rpm.

so....without more-a-doo....

...on with the review of one of my old albums by the fantastic "freddie mercury" and his pop group who are called "queen".

well...it starts much faster than normal and belts, through all their classic singles including "flash gordon" which i did an ace version of called "mark gordon" but for me...it was all over far too quickly and fast.

michael jackson to quit u.k.

michael jackson — that pop singing man who quit the uk because he says that the new album is bad, or so says my latest member of my gossip team... cub reporter... little frank... who is helping me to get some top showbiz gossip this week.

michael (formerly of the jackson 5) was unavailable for a comment as i couldn't find his phone number in the book under "m...", "j..." or "5".

also, little frank failed to find a picture of michael forme to use. so i had to quickly touch up a photo of lenny henry instead. needless to say little frank has been fired.

kim wilde, kate bush and philip collins... which also may mean you have to share your presents with them, oh well....that's showbiz for you! ?
